- 1.4 There are three main classes under the prescribed pension age scheme, for each of which there are a number of qualifying criteria. In all cases individuals must not be of a prescribed class exempted from reduction, such as a person subject to immigration control with limited leave to remain. The definition of a pension credit age person is a person who:
- a. has attained the qualifying age for state pension credit; and
 - b. is not, or, if he has a partner, his partner is not:
 - i. a person on income support, on an income-based Jobseeker's Allowance or on an income-related Employment and Support Allowance; or
 - ii. a person with an award of Universal Credit

The three prescribed classes are as follows:

Class A: pensioners whose income is less than the applicable amount.

On any day Class A consists of any person who is a pensioner:

- a. who is for that day liable to pay council tax in respect of a dwelling of which he is a resident
- b. who, subject to paragraph 5 of Schedule 1 of the Council Tax Reduction Schemes (Prescribed Requirements) (England) Regulations 2012, is not absent from the dwelling throughout the day; in respect of whom a maximum Council Tax Reduction amount can be calculated

- (i) amount A is the maximum Council Tax Reduction in respect of the day in the applicant's case; and
 - (ii) amount B is $2\frac{6}{7}$ per cent of the difference between his income for the relevant week and his applicable amount
- f. not have capital savings above £16,000; and

The condition referred to in sub-paragraph f. is that no other resident of the dwelling is liable to pay rent to the applicant in respect of the dwelling and there is an alternative maximum Council Tax Reduction in respect of the day in the case of that person which is derived from the income, or aggregate income, of one or more residents to whom this sub-paragraph applies.

The above applies to any other resident of the dwelling who:

The National Living / Minimum Wage applied shall be that which applies to the relevant assessment period less an estimate for tax, national insurance and half a pension contribution (where a pension contribution is being made), as if estimating the income of an ordinary employed worker.

- 26.2 The Council shall determine an appropriate start up period for the employment activity being conducted by the claimant or partner. This will normally be one year from the date of claim, or one year from the date of commencement of the employment activity, whichever is sooner. During this period, no Minimum Income Floor shall be applied. The start-up period ends where the person is no longer in gainful self-employment.
- 26.3 Where a claimant or partner holds a position in a company that is analogous to that of a sole owner or partner in the business of that company, he shall be treated as if he were such sole owner or partner and in such a case be subject to the Minimum Income Floor where appropriate.

The Council may allow a subsequent employment to qualify for a startup period based on the previous history of the claimant and an assessment of such evidence that would support a decision to allow for a subsequent start up period.
- 26.5 In order to establish whether to award a start-up period, or at its discretion a subsequent start-up period, the claimant must satisfy the Council that the employment is:
- Genuine and effective. The council must be satisfied that the employment activity is being conducted
 - Taking up the stated number of working hours
 - Being conducted with the intention of increasing the income to the level that would be conducive with that form of employment.

$$\frac{A - (B \times C)}{D}$$
Where
A = the total amount of the relevant payment which that person would have received had he remained a student until the last day of the academic term in which he abandoned, or was dismissed from, his course.

D = the number of reduction weeks in the assessment period.

- 54.1 In calculating a student's income the authority shall disregard any change in the standard maintenance grant, occurring in the recognised summer vacation appropriate to the student's course if that vacation does not form part of his period of study from the date on which the change occurred to the end of that vacation.

Sections 55 – 57 The calculation and amount of Council Tax Support

55.0 Maximum Council Tax Support

- 55.1 Subject to paragraphs 55.2 to 55.4, the amount of a person's maximum Council Tax Support in respect of a day for which he is liable to pay council tax, shall be 100 per cent, of the amount A divided by B where:

- (a) A is the **lower** of either:
- i. amount set by the Authority as the council tax for the relevant financial year in respect of the dwelling in which he is a resident and for which he is liable, subject to any discount which may be appropriate to that dwelling under the 1992 Act: or

- 55.2 In calculating a person's maximum Council Tax Support any reduction in the amount that person is liable to pay in respect of council tax, which is made in consequence of any enactment in, or made under, the 1992 Act, shall be taken into account.
- 55.3 Subject to paragraph 55.4, where an applicant is jointly and severally liable for council tax in respect of a dwelling in which he is resident with one or more other persons but excepting any person so residing with the applicant who is a student to whom paragraph 41.2 (students who are excluded from entitlement to Council Tax Support) applies, in determining the maximum Council Tax Support in his case in accordance with paragraph 55.1, the amount A shall be divided by the number of persons who are jointly and severally liable for that tax.
- 55.4 Where an applicant is jointly and severally liable for council tax in respect of a dwelling with only his partner, paragraph 55.3 shall not apply in his case.

56.0 Non-dependent deductions

- 56.1 The following non-dependent deductions shall apply:
- a) **Nil**, where the non-dependent is: Under 18 years of age or a full-time student:

- the current authority must reduce any reduction to which the applicant is entitled under its Council Tax Support scheme by the amount of that extended reduction.

Sections 58 – 59 Dates on which entitlement and changes of circumstances are to take effect

58.0 Date on which entitlement is to begin

- 58.1 Subject to sub-paragraph (2), any person by whom or in respect of whom an application for support under this scheme is made and who is otherwise entitled to that support is so entitled from the support week following the date on which that application is made or is treated as made.
- 58.2 Where a person is otherwise entitled to support under this scheme and becomes liable for the first time for the authority's council tax in respect of a dwelling of which

he is a resident in the support week in which his application is made or is treated as made, he is so entitled from that support week.

59.0 Date on which change of circumstances is to take effect

- 59.1. Except in cases where paragraph 20 (disregard of changes in tax, contributions, etc.) applies or paragraph 59A (late notification of an advantageous change) and subject to the following provisions of this paragraph, a change of circumstances which affects entitlement to, or the amount of, support under this scheme ("change of circumstances"), takes effect from the first day of the support week following the date on which the change actually occurs.
- 59.2 Where that change is cessation of entitlement to any benefit under the benefit Acts, the date on which the change actually occurs is the day immediately following the last day of entitlement to that benefit.
- 59.3 Subject to sub-paragraph (4), where the change of circumstances is a change in the amount of tax payable, it takes effect from the day on which it actually occurs.
- 59.4 Where the change of circumstances is a change in the amount a person is liable to pay in respect of council tax in consequence of regulations under section 13 of the 1992 Act (reduced amounts of council tax) or changes in the discount to which a dwelling may be subject under section 11 or 11A of that Act (discounts), it takes effect from the day on which the change in amount has effect.
- 59.5 Where the change of circumstances is the applicant's acquisition of a partner, the change takes effect on the day on which the acquisition takes place.
- 59.6 Where the change of circumstances is the death of an applicant's partner or their separation, it takes effect on the day the death or separation occurs.
- 59.7 If two or more changes of circumstances occurring in the same support week would, but for this paragraph, take effect in different support weeks in accordance with sub-paragraphs (1) to (6) they take effect from the day to which the appropriate sub-paragraph from (3) to (6) above refers, or where more than one day is concerned, from the earlier day.
- 59.8 Where the change of circumstances is that income, or an increase in the amount of income, other than a benefit or an increase in the amount of a benefit under the SSCBA, is paid in respect of a past period and there was no entitlement to income of that amount during that period, the change of circumstances takes effect from the first day on which such income, had it been paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.
- 59.9 Without prejudice to sub-paragraph (8), where the change of circumstances is the payment of income, or arrears of income, in respect of a past period, the change of circumstances takes effect from the first day on which such income, had it been timeously paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.

59.10 For the absence of doubt, where the change is a change in employed earnings, the date on which that change actually occurs shall be the first day of the period in respect of which the payment is earned, not the date that the payment was made, was due to be made or is due to be made.

59A.0 Effective date for late notification of advantageous change of circumstances

59A.1 In a case where:

- (a) the change of circumstances is a change of circumstances that is required by this scheme to be notified under paragraph 68 (duty to notify a change of circumstances), and
- (b) that change of circumstances is notified more than one month after it occurs, or such longer period as may be allowed under sub paragraph (2); and
- (c) the superseding decision is advantageous to the claimant, the date of notification of the change of circumstances may be treated as the date on which the change of circumstances occurred.

59A.2 Subject to sub-paragraph (3), a longer period of time may be allowed for the notification of a change of circumstances in so far as it affects the effective date of the change where special circumstances are relevant and as a result of those special circumstances it was not practicable for the applicant to notify the change of circumstances within one month of the change occurring.

59A.3 In determining whether it is reasonable to allow a longer period of time under sub paragraph (2) regard shall be given to the principle that the greater the amount of time that has elapsed between the date one month after the change of circumstances occurred and the date the application for a superseding decision is made, the more compelling should be the special circumstances on which the application is based.

Sections 60–68 Claiming and the treatment of claims for Council Tax Support purposes

60.0 Making an application⁶

60.1 In the case of a couple or members of a polygamous marriage an application is to be made by whichever one of them they agree should so apply or, in default of agreement, by such one of them as the authority determines.

60.4 Where a person who is liable to pay council tax in respect of a dwelling is for the time being unable to act and the Secretary of State has appointed a person to act on his behalf under regulation 33 of the Social Security (Claims and Payments) Regulations 1987 (persons unable to act), the authority may if that person agrees, treat him as if he had been appointed by them under sub-paragraph (3).

60.5 Where the authority has made an appointment under sub-paragraph (3) or treated a person as an appointee under sub-paragraph (4):

- (a) it may at any time revoke the appointment

60.6 Anything required by the authority's scheme to be done by or to any person who is for the time being unable to act may be done by or to the persons mentioned in sub-paragraph (2) above or by or to the person appointed or treated as appointed under this paragraph and the receipt of any such person so appointed shall be a good discharge to the authority for any sum paid.

6 Inserted by Council Tax Reduction Schemes (Prescribed Requirements) (England) Regulations 2012

- 61.1. Paragraphs 2 to 8 apply to an application made under the authority's scheme.
- 61.2. An application may be made:
- (a) in writing,
 - (b) by means of an electronic communication in accordance with sections 88 -96 of this scheme, or

- 61.3 (1) An application which is made in writing must be made to the designated office on a properly completed form.
- (2) The form must be provided free of charge by the authority for the purpose.
- 61.4 (1) Where an application made in writing is defective because:
- (a) it was made on the form supplied for the purpose, but that form is not accepted by the authority as being properly completed; or
 - (b) it was made in writing but not on the form approved for the purpose and the authority does not accept the application as being in a written form which is sufficient in the circumstances of the case having regard to the sufficiency of the written information and evidence, the authority may, in a case to which sub-paragraph (a) applies, request the applicant to complete the defective application or, in the case to which sub-paragraph (b) applies, supply the applicant with the approved form or request further information and evidence.
- (2) An application made on a form provided by the authority is properly completed if it is completed in accordance with the instructions on the form, including any instructions to provide information and evidence in connection with the application.
- 61.5. (1) If an application made by electronic communication is defective the authority must provide the person making the application with an opportunity to correct the defect.
- (2) An application made by electronic communication is defective if the applicant does not provide all the information the authority requires.
- 61.6. In a particular case the authority may determine that an application made by telephone is only valid if the person making the application approves a written statement of his circumstances provided by the authority.

- 63.1 Subject to sub-paragraph (7), the date on which an application is made is:

- (e) in any other case, the date on which an application is received at the designated office.

63.2 For the purposes only of sub-paragraph (1)(a) a person who has been awarded an income-based jobseeker's allowance or an income-related employment and support allowance is to be treated as entitled to that allowance for any days which immediately precede the first day in that award and on which he would, but for regulations made under:

- 63.6 Except in the case of an application made by a person treated as not being in Great Britain, where a person has not become liable for council tax to the authority but it is anticipated that he will become so liable within the period of 8 weeks (the relevant period), he may apply for a reduction under that authority's scheme at any time in that period in respect of that tax and, provided that liability arises within the relevant period, the authority must treat the application as having been made on the day on which the liability for the tax arises.
- 63.7 Except in the case of an application made by a person treated as not being in Great Britain, where the applicant is not entitled to a reduction under the authority's scheme in the reduction week immediately following the date of his application but the authority is of the opinion that unless there is a change of circumstances he will be entitled to a reduction under its scheme for a period beginning not later than;

64.0 Submission of evidence electronically

- 64.1 The authority may accept such evidence, documents, and certificates to support the claim electronically where it feels that this would be acceptable given the nature of the claim.

65.0 Use of telephone provided evidence

66.5 Nothing in this paragraph requires a person who is a pensioner to furnish any certificates, documents, information, or evidence relating to a payment to which sub-paragraph (7) applies.

66.6 Where the authority makes a request under sub-paragraph (4), it must:

- (a) inform the applicant or the person to whom a reduction under its scheme has been awarded of his duty under paragraph 9 of Schedule 8 the Council Tax Reduction Scheme (Prescribed Requirements) Regulations 2012 (duty to notify change of circumstances) to notify the authority of any change of circumstances; and

- 68.1 Subject to sub-paragraphs (3), (6) and (7), an applicant (or any person acting on his behalf) must comply with sub-paragraph (2) if there is a relevant change of circumstances at any time:
- (a) between the making of an application and a decision being made on it, or
 - (b) after the decision is made (where the decision is that the applicant is entitled to a reduction under the authority's scheme) including at any time while the applicant is in receipt of such a reduction.
- 68.2 The applicant (or any person acting on his behalf) must notify any change of circumstances which the applicant (or that person) might reasonably be expected to

know might affect his entitlement to, or the amount of, a reduction under the authority's scheme (a "relevant change of circumstances") by giving notice to the authority:

- (a) in writing; or
- (b) by telephone:
 - (i) where the authority has published a telephone number for that purpose unless the authority determines that in any particular case or class of case notification may not be given by telephone; or

- (c) by any other means which the authority agrees to accept in any particular case, within a period of 21 days beginning with the day on which the change occurs, or as soon as reasonably practicable after the change occurs, whichever is later.

70.4 In any case, the notification under sub-paragraph (1) must inform the person affected of the procedure by which an appeal may be made and must refer the person to the provisions in the authority's scheme relating to the procedure for making an appeal.

70.5 A person affected to whom the authority sends or delivers a notification of decision may, within one calendar month of the date of the notification of that decision request in writing the authority to provide a written statement setting out the reasons for its decision on any matter set out in the notice.

71.0 Time and manner of granting Council Tax Support¹³

71.1 Where a person is entitled to a reduction under this authority's scheme in respect of his liability for the authority's council tax as it has effect in respect of a chargeable financial year ("the chargeable year"), the authority must discharge his entitlement:

- (a) by reducing, so far as possible, the amount of his liability to which regulation 20(2) of the Council Tax (Administration and Enforcement) Regulations 1992 refers; or
- (b) where:
 - (i) such a reduction is not possible; or
 - (ii) such a reduction would be insufficient to discharge the entitlement to a reduction under the authority's scheme; or
 - (iii) the person entitled to the reduction is jointly and severally liable for the council tax and the authority determines that such a reduction would be inappropriate, by making payment to him of the amount of reduction to which he is entitled, rounded where necessary to the nearest penny.

71.2 The authority must notify the person entitled to a reduction under this scheme of the amount of that reduction and how his entitlement is to be discharged in pursuance of paragraph (1).

71.3 In a case to which paragraph (1)(b) refers:

- (a) if the amount of the council tax for which he remains liable in respect of the chargeable year, after any reduction to which sub-paragraph (1)(a) refers has been made, is insufficient to enable his entitlement to a reduction under the authority's scheme in respect thereof to be discharged, upon the final instalment of that tax becoming due any outstanding reduction:
 - (i) must be paid to that person if he so requires; or
 - (ii) in any other case must (as the authority determines) either be repaid or credited against any subsequent liability of the person to make a payment in respect of the authority's council tax as it has effect for any subsequent year
- (b) if that person has ceased to be liable for the authority's council tax and has

¹³ Inserted by the Council Tax Reduction Schemes (Prescribed Requirements) (England) Regulations 2012

- (c) in any other case, the reduction under the authority's scheme must be paid within 14 days of the receipt of the application at the offices of the authority or, if that is not reasonably practicable, as soon as practicable thereafter.

- 71.4 For the purposes of this paragraph “instalment” means any instalment of the authority's council tax to which regulation 19 of the Council Tax (Administration and Enforcement) Regulations 1992 refers (council tax payments).

72.0 Persons to whom reduction is to be paid¹⁴

- 72.1 Subject to payment on death and paragraph (2), any payment of the amount of a reduction must be made to that person.
- 72.2 Where a person other than a person who is entitled to a reduction under this authority's scheme made the application for the reduction and that first person is a person acting pursuant to an appointment or is treated as having been so appointed, the amount of the reduction may be paid to that person.

73.0 Shortfall in reduction¹⁵

- 73.1 Where, on the revision of a decision allowing a reduction under the authority's scheme to a person, it is determined that the amount allowed was less than the amount to which that person was entitled, the authority must either:
- (a) make good any shortfall in reduction which is due to that person, by reducing so far as possible the next and any subsequent payments he is liable to make in respect of the council tax of the authority as it has effect for the chargeable financial year until that shortfall is made good; or
 - (b) where this is not possible or the person concerned so requests, pay the amount of any shortfall in reduction due to that person within 14 days of the revision of the decision being made or if that is not reasonably practicable, as soon as possible afterwards.

74.0 Payment on the death of the person entitled¹⁶

- 74.1 Where the person entitled to any reduction under this scheme has died and it is not possible to award the reduction which is due in the form of a reduction of the council tax for which he was liable, the authority must make payment of the amount of the reduction to his executor or administrator in accordance with regulation 58(4) of the Council Tax (Administration and Enforcement) Regulations 1992.

76.0 Payment where there is joint and several liability¹⁷

- (a) a person is entitled to a reduction under the authority's scheme in respect of his liability for the authority's council tax as it has effect in respect of a chargeable financial year
- (b) the person entitled to the reduction is jointly and severally liable for the council tax; and
- (c) the authority determines that discharging his entitlement by reducing the amount of his liability to which regulation 20(2) of the Council Tax (Administration and Enforcement) Regulations 1992(7) refers would be inappropriate, it may make a payment to him of the amount of the reduction to which he is entitled, rounded where necessary to the nearest penny.

76.2 Subject to sub-paragraph (3) any payment made under sub-paragraph (1) must be made to the person who is entitled to the reduction.

76.3 Where a person other than a person who is entitled to a reduction under the authority's scheme made the application and that first person is a person acting pursuant to an appointment or is treated as having been so appointed, the amount of the reduction may be paid to that person.
