

Response Form for Draft Conservation Area Character Appraisals and Management Plans

(Supporting Consultation to the Local Plan Scoping Consultation)

Slough Borough Council is consulting on five draft Conservation Area Character Appraisals and Management Plans. These documents have been prepared on behalf of the Council by specialist heritage consultants, BEAMS Ltd.

The draft documents cover the following Conservation Areas:

- Colnbrook
- St Bernard's School
- St Mary's Church, Langley
- Sussex Place / Clifton Road
- Upton Park / Upton Village

Conservation Area Character Appraisals identify and explain the special architectural, historic and townscape qualities that contribute to the significance of a Conservation Area. Management Plans set out recommendations to help preserve and enhance these areas in the future.

The Council is seeking views on the draft appraisals, management plans and proposed recommendations before they are finalised.

All responses received will be considered as part of the review process and will help inform the final Conservation Area Character Appraisals and Management Plans.

This consultation forms part of the Slough Local Plan 2026–2046 Scoping Consultation.

Responses may be submitted from **Monday 13 July 2026 until Monday 24 August 2026 (11:59pm)**.
