Dear James Swindlehurst,

Levelling Up Fund: Round Two outcome

We are writing to inform you of the outcome of your application to the second round of the Levelling Up Fund. We'd like to begin by thanking you for the time and effort spent in submitting an application to this funding competition.

We are delighted to inform you that, subject to the satisfactory outcome of some further subsidy control checks, you have been provisionally successful in your Levelling Up Fund application for 'Destination Farnham Road' (LUF20347) and could be awarded £9,292,149.

You submitted a strong application, which performed well against our assessment criteria, and we were pleased to hear about the projects that you plan to deliver with this investment. We appreciate the hard work that went into the application and am very keen, as we are sure you are, to get delivery and spend underway quickly. Officials will be in contact shortly with your officers to discuss the next steps in the process, including the further information and clarifications required to ensure this funding is permissible under the subsidy control regimes.

Congratulations once again, and we look forward to working closely with you over the coming months, to make sure that your Levelling Up Fund investment is a success.

With every good wish,

RT HON MARK HARPER MP
